Education

Universidad de Costa Rica.
Liberia, Guanacaste, Costa Rica.
Bachillerato en Informática Empresarial.

Skills

Responsible.
Teamwork.
Leadership.

Motivador.
Works well under pressure.

Experience

In my experience, I have had to adapt to new technologies, also applying agile methodologies as it was with scrum, being part of the team, in the same way creating software with good practices being essential, using Eslint to forget those bad practices and create quality software.
