

DERIAN BUSTOS RODRÍGUEZ

FULL STACK DEVELOPER

Liberia, Guanacaste, Costa Rica | derianbustos2002@gmail.com | 506 63244217

PROFILE

Dynamic Full Stack Developer with over 2 years of experience in crafting and implementing innovative web applications that drive user engagement and business solutions. Proficient in modern JavaScript frameworks such as Angular and React, alongside robust backend technologies including Laravel and C#. Demonstrates a strong command of Agile methodologies, enhancing team collaboration and project efficiency through automated CI/CD pipelines. Committed to delivering high-performance, scalable solutions tailored to meet client needs in fast-paced environments.

PROFESSIONAL EXPERIENCE

Front End Developer Intern, TAVUEL 506, San José

June 2023 — December 2023

- Developed responsive web applications using React.js, TypeScript, and Material UI, ensuring maintainable code.
- Integrated GraphQL APIs for efficient data fetching and state management.
- Collaborated in Agile (Scrum) teams, enhancing sprint planning and iterative development processes.
- Implemented automated testing strategies, improving code quality and deployment efficiency.
- Engaged in UI/UX improvements, focusing on usability and modern design principles.

Full Stack Developer, TRIFECTA SOFTWARE, San José

June 2024 — August 2025

- Developed dynamic web applications using Angular, React.js, and jQuery for frontend and Laravel, C# for backend.
- Designed and implemented RESTful APIs and integrated C# Web Services for seamless system communication.
- Automated CI/CD pipelines using Jenkins, ensuring reliable production deployments with Octopus Deploy.
- Optimized relational databases (SQL Server, MySQL), enhancing query performance and database structure.
- Led Agile Scrum teams with Jira for efficient project tracking and cross-functional collaboration.

EDUCATION

Bachelor's in Business Computing

March 2020 — December 2023

Universidad de Costa Rica

TECHNICAL SKILLS

TYPESCRIPT	JAVASCRIPT	LARAVEL	JAVA
